Hi Bill

That’s fine (although 6 May is a Sunday). Thanks for letting us know. I’ve checked with the Minister’s office and there’s no need to formally advise the Minister of this.

Subject: Draft SCI and Business plan

Juston
The Solid Energy board on Friday last reinforced their desire to be fully involved in the company’s Draft SCI/Business Plan submission due 1 May 2012. This presents an issue of timing given that the next Solid Energy board meeting will be on 4 May 2012. Our preference therefore is to delay our Draft SCI and Business plan submission until Monday 6 May, that is as soon as possible following this May board meeting so we can make an unconditional submission to you.
Regards
Bill
